

EEA MiFID II product governance / Retail investors, professional investors and eligible counterparties (ECPs) target market – Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes is eligible counterparties, professional clients and retail clients, each as defined in Directive 2014/65/EU (as amended, **MiFID II**) and (ii) all channels for distribution to eligible counterparties and professional clients are appropriate; and (iii) the following channels for distribution of the Notes to retail clients are appropriate - investment advice and portfolio management, subject to the suitability and appropriateness obligations of the Distributor (as defined below) under MiFID II, as applicable. The target market assessment indicates that *Notes* are incompatible with the needs, characteristic and objectives of clients which have no risk tolerance or are seeking on-demand full repayment of the amounts invested. Any person subsequently offering, selling or recommending the Notes (a **Distributor**) should take into consideration the manufacturer's target market assessment; however, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels, subject to the Distributor's suitability and appropriateness obligations under MiFID II, as applicable.
